Whether you're throwing down some jams at the kitchen table with the iPhone, or giving it some serious playtime with a laptop or desktop PC, you're bound to find inspiration in Rock Band. And even if you can't actually play a full set of notes on your phone, you can try out the band's in-game guitar and drums by tapping, flipping, shaking or sliding your fingers through the Rock Band app. There are tons of songs and three difficulty levels (Easy, Med and Hard) to choose from. One of the best is Metallica's Iron Man, for its easy arrangement, and The Devil You Know and Through the Fire, for their more upbeat play time. Of course, you can also stream music via Pandora and play your favorite songs from

iTunes and the Rock Band library, but what if you want to chop it up and play along on an instrument that doesn't include plastic guitar strings? Fortunately, that's where the trusty Clone Hero guitar comes in. The free app lets you play along with songs from different genres and chart sets, from Korn to In the Aeroplane Over the Sea. Playing along? Simply drag your favorite song on top of the app and start playing. It's that simple. The application is completely free to download for your iPhone and iPod touch, so you can treat yourself to a little jam session today. To download Clone Hero on your iOS device: From your iPhone or iPod touch home screen, navigate to the Apps menu and select the App Store. Select the App Store icon and purchase or download Clone Hero. Once it's installed, you can find the clone hero through the fire and flames download app in your Apps menu. To play music, simply tap on an applicable song and follow the onscreen instructions. Are you a fan of the band My Chemical Romance? What about Limp Bizkit? Need some Garbage, All That Remains or Achtung Baby to jam out to? Whatever you want to jam out to, you're likely to find a set that will

fit your taste. From Metallica to the Spice Girls, AFI to the Beatles, Switchfoot to Amy Winehouse, and Gnarl's Barkley to Ben Kweller, there are thousands of songs from popular genres, including Alternative Rock, Classic Rock, Dance/Electronic, Folk, Indie/Rock, Pop, R&B, and many more.
